

## Conditions of use of camping area and rules of life

In order to repeat this event we are committed to the airfield Blois Le Breuil, a respectful use of the site and give them back as its initial state. Thanks you for your help and understanding.

### Article 1: Access to the camping area

Access to the camping area is restricted. Everyone must register at the entrance where a location will be allocated depending of the camp means and size (tent, camper van...). The traffic or parking ticket should appear prominently on the passenger compartment of the vehicle

### Article 2: Installation

Each camper commits to respect the assigned location and its delimitation. In general, it is asked everyone to avoid by its attitude, its manners or remarks causing some trouble to the success of the rules of life and to respect the safety instructions. It is recommended to not to leave any object in evidence inside vehicles, on his campsite. The organizers decline no liability in case of theft or damage.

### Article 3: Circulation in camping area

Inside the campsite, vehicles must drive at reduced speed and respect the Highway Code. Drivers are required to use only traffic lanes and respect the way of traffic.

### Article 4: Running and respect of facilities

Everyone is obliged to refrain from any action that might prejudice the cleanliness, hygiene and appearance of the camping area and its facilities, including health and sanitary. It is forbidden to throw wastewater on the ground, only in the facilities provided for this purpose. Garbage and papers must be filed in the appropriate bins provided. Any damage to the vegetation, fences, ground or facilities will be the responsibility of the author.

The location that has been used during the stay must be maintained in the state in which the camper found it when he entered in its location.

#### Article 5: Noise and harmful

From 23h noises must be limited.

It's forbidden to start engines in the camping area.

#### Article 6: Security

The open fires on the floor (wood, coal, etc.) are strictly prohibited except barbecues. Stoves must be kept in good condition and not be used in hazardous conditions.

The MAP extinguishers can be used if necessary.

An emergency station is located on site.

Smokers are asked to remain vigilant when they smoke.

#### Article 7: Animals

Dogs and other animals must never be left at liberty without surveillance. They should not be left to the campsite, even locked in the absence of their owners who are civilly responsible.

#### Article 8: Prohibition

In particular, it's forbidden:

- ✓ crossing devices intended to delimit the camping area
- ✓ to cross fences and barrier,
- ✓ break the displayed prohibition
- ✓ disturb other persons by any noisy demonstration,
- ✓ use spaces and equipment not in accordance to their
